

Note on Accepting Voters with Certain Disabilities

All Political Subdivisions: Accepting voters with certain disabilities:

An election officer may accept a person with a mobility problem that substantially impairs a person's ability to ambulate who is offering to vote before accepting others offering to vote at the polling place who arrived **before** the person. "Mobility problem that substantially impairs a person's ability to ambulate" has the meaning assigned by Section 681.001, Transportation Code. A person assisting an individual with a mobility problem may also, at the individual's request, be given voting order priority. Notice of the priority given to persons with a mobility problem that substantially impairs a person's ability to ambulate **shall** be posted:

1. at one or more locations in each polling place where it can be read by persons waiting to vote;
2. on the website of the Secretary of State; **and**
3. on each website relating to elections maintained by a county.

The notice required **must** read as follows:

"Pursuant to Section 63.0013, Election Code, an election officer may give voting order priority to individuals with a mobility problem that substantially impairs the person's ability to move around. A person assisting an individual with a mobility problem may also, at the individual's request, be given voting order priority. The **recommended** time to include this notice on a county website is when the Notice of Election is also posted on the website. Sec 85.007(d). See Note regarding Notice of Elections.

Cities, Schools, and Other Political Subdivisions: It is **strongly recommended** that the notice regarding accepting voters with certain disabilities also be posted on the subdivision's website, if one is maintained by the political subdivision.
